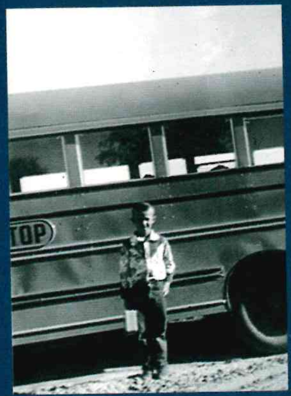
Dedication



The JCHS yearbook staff is pleased to dedicate the 2010-2011 yearbook to Mr. Dennis Hunt. Mr. Hunt's twenty-seven year legacy at Joseph City High School will be felt forever by all who knew him and fell under the realm of his influence. He has always been a quiet, calm and self-assured person who is not swayed by pressure or public opinion. His teaching style has given students opportunities to use their own knowledge and skills to learn scientific principles and how they can be applied to real-world situations. The classes who had him as their sponsor could always count on his support and hard work. Everyone who has rubbed shoulders with him has had an opportunity to become a better person. Thank you, Mr. Hunt, for the waves from your bike, your wit and wisdom which you shared with us.

The Jr. Varsity baseball team was very young this year. "The players gained confidence and experience as the season progressed," stated Coach Westover. The most memorable game was defeating a good Winslow team 17-15.

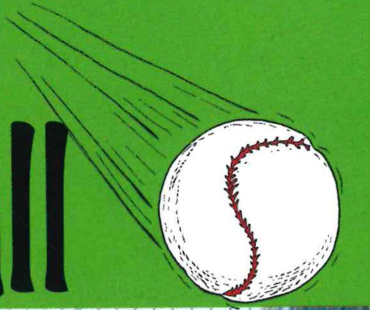
Softball



The Lady Cats had a great season. They improved most on team unity and learned to be a team by becoming selfless. The most memorable game was at the quarter finals of State against St. Augustine. "Every player was at the top of her game that day and each player did something, at the right moment, to contribute to the win," stated Coach Hansen. We are very proud of our softball team and their coaches!
